MEMOI

LEO'S

Dear Hank,

You know that it is useless to say how much you are thought of by me, I could write a book, and it still couldn't really tell. You have always been a dear friend and one that I could, and can, save my heart out to, and you are always there to lend a helping hand. I'll always cherish of precious memories and these I will always cherish. Even though you are out of high school now and starting your college life, we must always keep in touch. We all miss you here at #75, we miss having such a wonderful personality as yours and always a cheerful person. We have really had some "good ole times" in school and I enjoyed every minute of it. Good luck, Panda, I know that you're a gal that really and truly deserves the best in life. May good fortune and happiness always be yours.

With love as always,

Laurie

P.S. Write me, won't you?

Dear Wanda,

There are no words to express how I feel about our friendships. You've certainly made my life happen in many ways, (especially listening to my troubles.) I'm really happy that you're liking school at Bury and I wish you the best of luck always. I remember just doesn't seem like the same old place without you. See, don't I sound much? Anyway, I do want to wish you luck in everything you do. Just stay your same sweet self and you'll never lack friends. Sincerely,
Pat

Dear Wanda,
To write about my true feelings concerning you would be impossible, so great is my admiration for you as a person. I was a real pleasure working with you in your many positions of leadership in the school. The type of character, ability, ambition, and initiative you exhibited are most commendable, and, if properly applied, with normal good-fortune, guarantee you a fruitful, pleasurable life. Best wishes to a great individual.
Admirably yours, Elton
Wayne

realize the inevitability of wasted hours were we to seek knowledge without the guidance of others. For this reason we understand the importance of an efficiently-run plant where this knowledge can be conveyed from teacher to student. The administration of this "plant," our school, is of outstanding importance.

Therefore: We, the staff of the 1963 Leo's Memories wish to express our gratitude to the Administration and Staff of Tuscumbia High School, each of whom has aided us in countless ways. We take this opportunity to pay tribute to their constant activity in our behalf—the wisdom of their experience—their readiness to assist us in our undertakings, whether they be academic, athletic or social—and the many hidden tasks they perform, which contribute to the smooth functioning of our school system.

Senior Class Prophecy

Step into our time machine while we set the dial on April 11, 1993, to look in on the T. H. S. Class of 1963.

At our first stop in Washington, D. C., we go to the White House where we find Wanda Reed employed as executive secretary to the President.

We step back into our time machine and head for New York City where we find Gwen Golden as one of the top models.

While we're in New York, we stop off at Witt Beauty School where Mickey, the owner, is at work--laughing and making jokes as usual.

We now go south to Arkansas where we find Danny Slone at Harding College busy coaching. From Danny we learn that Edwina is at home taking care of their kids which now number eight.

While in Arkansas, just by accident, we run into a little ole man peddling moonshine. We find it is none other than Ronald Jeffries.

We then head to Oklahoma where we find Tommy Hendley and his wife Betty conducting a marriage ceremony; the town is none other than Miami, and Tommy is the Justice of the Peace.

We now turn the machine to the Far West and land in Beverly Hills, California. Here we find Millionaire Lloyd Halderman and his loving wife, Cleta Wood, in their 15-story mansion. In her spare time Cleta is a librarian at the Beverly Hills Library.

We then go to the center of Hollywood where the favorite new movie star is coming out of the premier of his new movie. After fighting our way through the crowd, we find Bill Mace. We learn that John Michael Smith is editor of "Playboy" magazine.

At the Hollywood Hospital we find Lucille Williams, the head nurse. We learn from Lucille that Carolyn Flaughter also lives in Hollywood. Carolyn is happily married to an architect, and they are the proud parents of ten.

We now head back to Tuscumbia. There we see the Pryor Novelty Company has expanded greatly and even the name has been changed since Pat and Dinkey are married.

We also visited Carol Brookes' home where we find Carol and Roger are happy as they always were.

We then go to the University of Missouri where we find Professor Terry Ward in his English class. Terry tells us that Charles Slote is the head math teacher.

We go back to New York where we find Bob Vaughan as the conductor on the new sky train.

We search for a number of days for David Hill; no one has seen him for many years. All we can find is a book written by him. We finally give up our search when someone says he is on a desert island trying to prove a new theory.

We have located all the graduates except David; so our time machine is spinning backwards. It stops at 1963.

CHEERLEADERS CHOSEN BY STUDENT BODY

A special school assembly is called for the purpose of electing the cheerleaders for the coming basketball season.

Each girl who wants to try out for this honor must do a cheer in front of the assembly. It may be with another girl, in a group, or individually.

After every girl has presented a cheer, they leave the gymnasium while the student body votes, by secret ballot, for twelve girls. The six who have the highest vote are on the "A" Team.

The cheerleaders chosen this year were Mickey Witt, Diana Ward, Louise Flaughter, Edwina Clement, Judi Warren, and Pat Pryor.

These girls vote, by secret ballot, for a captain to represent their team. Edwina Clement was chosen as captain of the "A" Team.

The cheerleaders really get in and practice their cheers so that they will be prepared to boost the Lion's Varsity Squad to VICTORY!

TO WANDA

Alas —

I've found space to write
you a short note of remembrance,
approval (self-approval), Love, etc. etc.
I've found you to be a very interesting
comrade throughout our many school
years spent together. I still
recall those precious grade school
years (pencil-lead and everything) and, of
course, "High School", (yez-paa) is
the most dear, most enduring of memories,
etc., etc. Must I go ~~on~~ (rats) on??
You must feel as I do about
the whole mess — so why bother
to explain it?

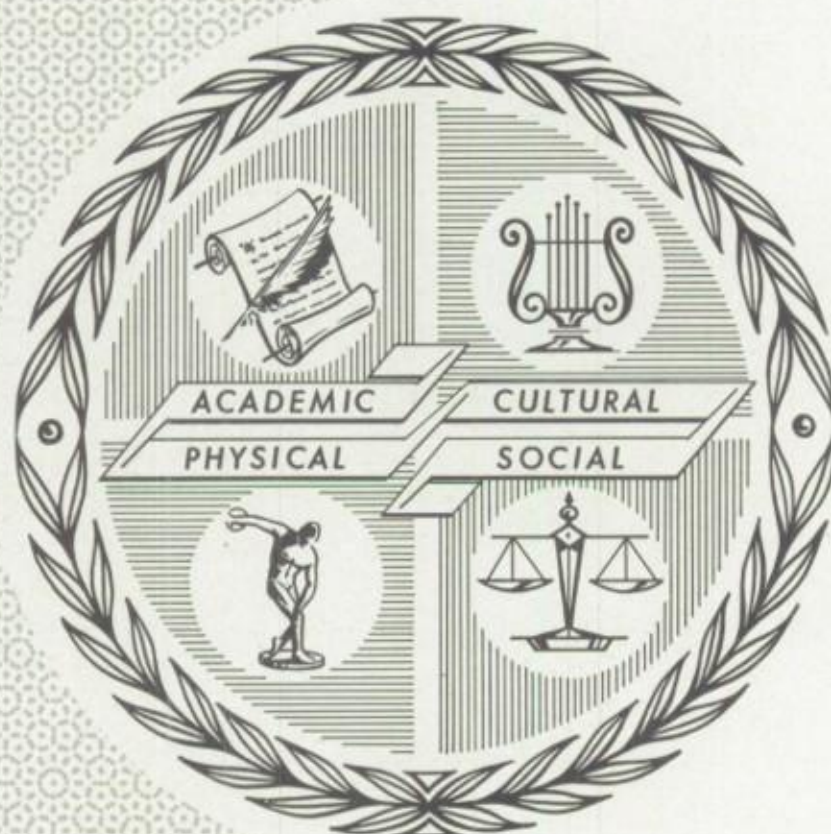

— Meanwhile — Best of luck
in "college", I envy you.

(My time may come — who knows)

Good-bye for now — before
the tears began to fall (Oh-sob)

I Love you (as a "sister" of course)
your self will always have a
warm spot in my heart.

Fare well — F. D. I. T. David

The student council consists of the presidents of the seventh through twelfth grades along with a permanent member from each high school class and one representative from each organization, and is sponsored by our principal, Mr. Ehlert.

This year the efforts of the Planned Progress committee, composed of five council members, proved successful in their competition with the School of the

Osage in Union Electric Company's annual Planned Progress program. As a result of their victory, the entire student council took an enjoyable trip to Springfield, where they toured various points of interest.

Presiding over school assemblies, planning the Christmas program, organizing all-school activities, and running the ball game concessions are only a few activities of the student council.

TUSCUMBIA HIGH'S annual school carnival was held October 27, 1962, in the school gymnasium and cafeteria from 7:30 p.m. to 10:30 p.m. This activity is the major money-making project for the high school classes. The junior class controls the event and has first choice of the stands that are distributed a-

mong the high school.

The main event of the evening is the coronation of the new school king and queen for 1963. This is the last event of the evening's festivities. The Royal Court consists of king and queen candidates and two candlelighters from each of the classes.

The candidates for

this year's title from the separate classes were as follows: freshman-Sue Keeth and Charles Bell; sophomore-Betsy Albertson and Henry Andrusejko; junior-Anne Schlesinger and Ronald Hamacher; senior Omega Witt and Dink Musick. The candlelighters chosen from the separate classes to attend their individual

candidates were; freshman-Elizabeth Martin and Alfreda Miller; sophomore-Judi Warren and Betsy Albertson; junior-Louise Flaughner and Pat Pryor; senior-Wanda Reed and Gwen Golden.

The votes are bought by the public at a penny a vote, and are placed on the class of their choice. The official tabulation remains secret until the moment the court enters the room. The freshman class was very thrilled to find that their candidates, Sue Keeth and Charles Bell, had won this year's title. This was the first time in seven years the freshman have taken this honor.

The evening of fun

and gaiety ended with a great feeling of satisfaction for every one involved in its making. It was a very profitable evening, with the classes, combined as a whole, bringing in over \$600 to be used for their various expenses throughout the year, and to eventually aid them in taking their senior trip.

Victory Highlights Homecoming

The annual homecoming game took place on February 15, 1963, with Iberia. The "B" Team showed their skill by winning their game over the Iberia Rangers.

The highlight of the evening was the coronation of the Homecoming Queen. There were three candidates, each one escorted by a player of the Varsity squad. The candidates were Mickey

Witt, escorted by David Hill; Pat Pryor, escorted by Steven Ash; and Louise Flaughter, escorted by Marshall Humphreys.

Mickey Witt was crowned by Captain Danny Slone as the Homecoming Queen of 1963.

Immediately following the Coronation, the varsity squad played the final home game of the year which set the Lions roaring to Victory.

Not shown is another member of the cast, Tommy Hendley, as Isaac Zimmerman, posing as Andrew's millionaire uncle from New Zealand.

SADIE HAWKINS' DAY

A day of fun and gaiety is anticipated each year as we hold our annual Sadie Hawkins' Day. This event takes place in April and gives every girl in high school a chance to "chase and catch her man legally"!!! The day consists of the "Big Race", lots of games, and plenty of refreshments for everyone.

The day is sponsored by the student council for the pleasure of the high school students and their faculty.

Marriage liscenses are issued to the "lucky" couple, and according to the rules each girl must attend the remainder of the days activities with her "catch".

Dear Wanda,

Hi. To one of the nicest girls I've ever met.

To one of the girls who had more trouble in school,
Not with ~~the~~ class but in a more different kind of
trouble you know. Now to quit kidding and get down
to business, I have truly enjoyed going to
school with you more than any one else. (Except Edwina)
We had our ups and downs with (Edwina) & (Tim).
Hope you have fun in college.

Danny

Dearest Wanda,

Well here we are - that's enough
words to sum up all that has happened.
You have been a dear, dear friend and
one I could by no means have done
without in our high school days. If it
had not been for you - who knows - I
may not be Mrs. Danny Slow - after all
you were my "in-between man" (remember)

I truly hope you succeed in
every last thing you attempt. I hope
the lucky guy who gets you - realizes
how ~~damned~~ lucky he is!! Please
be good and always remember my
friendship to the day you die -
because I will be a friend
until ~~and~~ ^{they} ever after - Love you truly -
W EDWINA ^{or} GEORGE Mrs. Danny Slow

Dear Wanda,

I really enjoyed knowing you and going to school with you the past three years. I'll never forget all the fun we've had cheerleading - or trying to - and all the projects we've worked on together. Even some of the little everyday things will be remembered. You did well in your high school years and I'm sure you'll do just as well in your college years. Best of luck in everything you do. I'll always remember that sweet Wanda who helped me in so many ways. And always remember Good ole T.H.S.!!!

Love always,
Liana

Dear Wanda,
To a real swell girl.
I had enjoyed going to school with the past years and I am sure we all miss you. Good luck in the future and most of all good luck in College. I hope you have fun.

Wanda

To a very funny girl who
I never could understand,
& doubt if I ever will.

All our lives we have spent
fighting one another so we
never had our chance.

But you know who I really
love for and always will,
but now she has put me down
so wish me luck for I will
need it very much.

Always remember that a person
is only as good as his or "Her?"
word, & I have found there are a
few you can't trust as far as you
could throw them.

Wanda,
Best of luck
always to a real
